Subject: Background materials on OR CZARA
[CZARA FAQs 3.12.13-clean.docx](#)

Christine and Dan,

I'm attaching an OR CZARA background paper that Dave P, Allison, Don Wayne, and I put together. It's meant to give a big picture view of the CZARA programs, guidance for approval of the CNPCP, funding and other impacts of not having an approved CNPCP, and some areas that we recommend as a starting point for our internal planning discussions re: forestry, ag and other issues.

Some of us are meeting tomorrow from 4-4:30pm to talk more about CZARA, and we can use that time to also plan future calls, who should be involved, and what we're trying to accomplish. Jayne will be back by next week, so she'll be able to take over again for OR CZARA in the Seattle office.
